Town of Sullivan, Madison Co., NY

"Garrett Van Slyke lived near Poole's Brook, near the line of Nanlius. John and Peter Christman, George Chawago and the Herrings, Dutchmen from the Mohawk Country, were other pioneers in that locality, which was known as Kinderhook, from the fact that the children of the neighborhood were accustomed to assemble on the green at the corners to play. The Christmans and the Herrings sold out and moved away to the locality of Sandy Creek."
