

Girls Basketball Team

Back Row: Anita Schwedhelm, Dolores Schneider, Mrs. Fleming, Judy Pline, Sharon Fox.
 Front Row: Pat Wood, Marlene Fox, Mary E. Simon, Rosy Simon, Janet Fox, and Doris Theis.

The present girls team will be the nucleus for next years team. After the command performance of their work this season, we have confidence that they will draw respect from all their apponents. The important thing about them is--they are all good sports with an ardent desire to do their best for good old Pewamo High. They had a fairly good season this year, winning three and losing four games.

They wish to thank Mrs. Fleming for coaching their team this year.
