With eight games played, Pewamo's record was 4-4. In the strong Christmas tournament, Pewamo lost to the number 1 team in the state but came back to take the consolation trophy.

Without a "six-footer" on the team, they always managed to get their share of rebounds. As the second-half of the season started, things began to look up for the team.

The picture at the left was taken during the first overtime of the last game in the Christmas tournament with the score tied. Pewamo may be seen in the huddle with a minute and 13 seconds left to play.

The picture below was taken in Pewamo's shower room in St. Pat's High School after the last game in the tournament finals. Shown here is the team with Coach Click, Mr. Cotter, and Mr. Steinke with the trophy after they topped Woodland 74-72 in sudden-death overtime.
