

DEATHS AT THE COUNTY INFIRMARY

The following information was copied from a ledger that I borrowed from the County Farm in September 1973. I have no idea where this book is now.

Initially I only indexed the People buried at Potter's Field. This burial Plot is on the north side of the road across from what was the Montcalm County Poor Farm.

For those of you who would like to know who died ~~there~~ ^{at the infirmary}, I have transcribed all the material that was in the ledger.
