## **For the HIGH Dollar!**

Ship your livestock to the Detroit Stockyards, where all the Big Packers as well as the small buyers are competitive buyers of your livestock. Please remember it is sold direct, not to a jobber who has to sell it again, but to the Packer, who pays the top price on every TOP animal.

We will ship them for you or buy for cash. Veal calves Monday morning only. Anytime on all other stock.

**Ask Anyone Who Has Shipped With US.**

**Local and Long Distance Moving**

If you wore 'em  
you'd wash 'em in  
**SOFT  
WATER**

**PROTECT TENDER SKINS**

**WITH CULLIGAN SOFT WATER SERVICE**

No matter what soap you use . . . if you wash clothes in hard water, soap curds will be formed. They will not rinse out of the fabric and will cause irritation to delicate skins. Besides, the washables will always look gray and dingy.

Diapers and dainty baby things washed with softened water are always sweet and white . . .

with less rubbing. Baby's tender skin—and yours, too—will be cleaner and smoother washed in softened water. Phone for Soft Water Service today!

**COOPERATIVE USE OF PARTY LINE:**

Consideration among those on a party line will be appreciated by all. If you are on a party line please—

- Make sure the line is not in use before calling.
- Limit your telephone conversation to a reasonable length of time.
- Avoid making consecutive calls when it is evident that others are waiting.
- Replace receiver quietly if the line is in use.
- Give up the line without delay when an emergency request interrupts your conversation.

The space below is provided for emergency numbers you may wish to specifically list.

### General Information About the Moore Telephone System

**Bills and Payments**—Your bills are sent at the beginning of each month and they are payable when received. This, of course, means payable in advance. Not to receive a bill does not exempt you of payment. They cover your telephone service one month in advance and toll charges up to and including the 15th day of the preceding month. Itemization of your toll calls are on the back of your postcard bill. The first (red) number is the date, followed by the town number of your call, then the amount.

All bills paid after the 20th are to be paid at the gross rate. Payments made after the 24th may not be credited on your next month's bill, as posting to bills is started at this time. If bills are not paid by 20th, the subscriber is subject to discontinuance of service either by denial of service or by disconnecting the line. Once the service is denied or disconnected, there is a charge of \$1.50 to restore service.

We recommend that you remit by mail at the beginning of each month as most subscribers do. Please do not send cash in the mail. We cannot be responsible for the loss of money so sent. It is better to send your check or postoffice money order.

**As to Mileage**—Distance and directions of rural lines, as shown herein, in general show the direction of travel of the line that goes to the subscriber.

**Toll Lines**—Moore Telephone System owns its toll lines to all towns in Tuscola County, and also reaches all adjoining counties: Huron, Sanilac, Lapeer, and Saginaw, and the City of Saginaw. Through its connection with the Michigan Bell Telephone Co., service can be given to all parts of the civilized world.

**Maintenance and Trouble Work**—We are anxious to give you service, but occasionally subscribers have trouble with their phones. Please report such trouble promptly to the operator and we will do our best to give the matter our prompt attention. If there is a delay in the service on such repairs, please call, or drop a postcard to Harry Parsell, General Supervisor of service and maintenance, office 570, residence 7702, and he will see that the matter has immediate attention. Prompt restoration of your service depends upon your prompt report of the trouble. Your cooperation is requested for your benefit and ours.

### MOORE TELEPHONE SYSTEM, INC.

A. J. Moore, President and General Manager.

W. J. Moore, Retired General Manager, now Acting Plant Engineer.

Vera M. Graham, Secretary.

#### DIRECTORS

A. J. Moore, Caro; Vera M. Graham, Chesaning; John Sheridan, Caro.

W. T. King, Lansing, Telephone Consultant for 35 Independent Telephone Companies in Michigan, formerly served as Chief Telephone Engineer of the Michigan Public Utilities Commission.

Merle Brown, Marlette, former Plant Engineer of the Bell Company, now retired.

### CHANGES IN NUMBERS

A large percentage of telephone numbers have been changed, and with the printing of this directory, an additional 50 or more rural or party line subscribers' telephone numbers will be changed. For this reason, please do not ask for a subscriber's number by memory of old number until first consulting this directory for a possible change in the number.
