

VOLUME 1, NUMBER 3

FEBRUARY 1989

MESSAGE FROM THE PRESIDENT

The Society has recently received a very generous offer from a member. Beverly Lancaster (Mrs. James E.) of Orchard Lake, Michigan, published the Marriage Records of Calhoun County in 1983. Since then, she has transcribed from Mormon microfilm the death records of Calhoun County from 1867 to 1886. Beverly knew we are looking for projects, and has offered to donate her material to the Society. It needs to be proofread and corrected, and additional years need to be added. Her material is collected in her IBM-compatible computer, and she is willing to make the corrections to her file, or turn the whole thing over to us. It was decided at the January meeting to accept her offer, and undertake this project as our first publication.

We are now looking for a volunteer to coordinate the project, as well as volunteers to proofread and to key the corrections into the computer (don't worry - you really can't do horrible things to the information in the computer.) We may also be looking for someone who can modify Beverly's program if we decide to add more information to her data. If you are at all interested in helping with this project, please contact me at home or at the next meeting.

DEFINITION - WITH A RING OF TRUTH

"Let's ... think about the fascinating hobby of genealogy, which comes from two Greek words: genealo, which means "droning on"; and gy, which means "about your ancestors as if you're the only person who HAS any."

Dave Barry

NEW PUBLICATION

One of our members, Pat Geyer, has just published a collection of family stories, history, and genealogy in a 450 page book, THE SCHUMACHER-GEYER AND RELATED FAMILIES OF ALBION, MICHIGAN. Included are the Arndt, Behling, Dart, Delbridge, Frank, Gilg, Luedtke, Piepenbrok, Pittelkow, Raether, Reichow, and Sharp families. The relationships of all these Albion families have been worked out, and most of the families have been traced back to their homes in Europe.

Pat says, "It was a search taking about 25 years to accomplish and this is only a beginning for a family history is never complete. The Schumachers and Geyers were builders in Albion and the story of the buildings is included as is the story of other family work places: Albion Lumber Company, Albion Malleable Iron Co., and Gale Nanufacturing Co. Many of the family members were farmers."

There are over 1400 name references in the book and there is a surname index of maiden names as well as the general index of all names. Also includes 117 pages of pictures. The hard cover edition costs \$45.00 and the softbound cover is \$35.00. If mailing is required there is a cost of \$2.00.

WELL DONE, PAT.

PALATINES TO AMERICA SEMINAR

The Michigan Chapter is planning a one day seminar in Grand Rapids, Michigan, on April 8, 1989. Our theme "A Day of Learning - When you hit that brick wall." The seminar is scheduled at the President's Motor Inn on the north side of Grand Rapids. It is located on the corner of I-96 and Plainfield Avenue. We have had the good fortune to obtain the speaking talents of James L. Hansen of Madison, Wisconsin. He is a nationally-known speaker having lectured on genealogical topics around the country. Along with Mr. Hansen we will have one hour talks by our president George Evans on the origination of Palatines, Carole Callard on Tombstone designs and their meanings, and David Johnson of the Michigan State Archives will talk on the availability of primary records in the State Archives. We will also have Ella Soelberg of the Morman Church of Latter-Day Saints, Grand Rapids Stake, who will talk on how to use the local Stake Libraries and how to access the records compiled by the Mormon Church in Provo, Utah.

For a brochure and information about costs write: Milton J. Frey, First Vice President, 2647 Rockhill Dr., NE, Grand Rapids, MI 49505.

MEET ME AT THE WILLARD was a great success, and Marlene Steele and the Friends of the Library there deserve praise and thanks for the very nice evening we had at Willard Library. This year we are trying to make our members aware of the kinds of materials, records and resource people to be found in Calhoun County. We have had very informative programs so far so you won't want to miss a meeting. Members are from many areas. The Bentleys came all the MARCH 21 way from Ann Arbor for the last meeting. If you have suggestions or ideas for MARCH 28

Pat Geyer, Program Chairperson

future programs please let me know.

ABOUT THE PROGRAMS AHEAD:

FEDRUARY; The February 28th program will be held at 7:00 p.m. Albion College, Norris Center, Room 108. Use the Hannah Street entrance just off Michigan Avenue. (See the map included in this letter.)

COLLECTING ORAL HISTORY is the topic of this program with Dr. Helen Manning, Professor Emeritus of Albion College, and Patricia Geyer as resource persons. They will show examples of oral histories which they have collected and will show how they can be used. Techniques of interviewing and the use of tape recorders will be covered. Participants will be given "take home" materials so they can get started collection too.

It will be an interesting evening!

MARCH; The March 28th meeting will be held at the Albion Public Library Community Room at 7:00 p.m. The library is at 501 S. Superior Street. Joh Fox, Albion local history librarian, will discuss "COLLECTING CEMETERY RECORDS." John has spent many years collecting and documenting Calhoun County cemetery records, and he is well versed in all areas of genealogy. He has taught classes in the Albion Community School program for adults, and recently has offered a new class 'Genealogy for Kids.' What a good way to get children interested in their own ties with history and their families.

These two meetings will be preceded with research help sessions at 6:00 p.m. to be run by Genealogy Society members. Arlene Berry, Brenda Boyce, Mary Dunes, and Ramona Short have volunteered to be on hand as research helpers for the February meeting at 6:00 p.m. Come early and have your questions ready.
