This series will eventually include all known Lenawee County cemeteries and the records of cemeteries that have been moved or disappeared. Many sources are being utilized to publish these works. Cemeteries will be walked and re-walked, vital records, newspapers, sexton and township records studied.

Additional copies of all our Burial Series are available. Pricing may vary from printing to printing due to rising costs and changes in our agreement with our printer.

INTRODUCTION

This is the ninth in a series of Burial Records for Lenawee County, Michigan.

The Lenawee County Family Researchers, a Genealogical Society has for several years been walking our cemeteries and recording the burials, so as to bring to you, the family researcher, new, updated and hopefully complete records of the burials in our county.

This is a HUGE undertaking by a small group of volunteers. We foresee that each township will have a book of burial records, we have 22 townships here in Lenawee County. Several of our larger cemeteries are so large that it will require a book for each.

The records contained herein will be a combination of sexton records and gravestone readings by our members. In some cases there is additional data that one of the compiler's felt obligated to go "find" and include. Death indexes and obituaries, and other sources have been examined when one of the volunteer compiler's felt they could "fill" in some missing information.

There is no set order of publication of the townships, they will be published as they become available.

We apologize in advance for any errors, as we know there will be some. Please notify us of any errors and we will correct our records. Thank you and enjoy.

Compiler's Preface

Before using the information in this book for research purposes, there are a few things to keep in mind. Most notably, the information recorded here should always be verified by other sources. Tombstone inscriptions are known to be inaccurate in many cases, the spelling and the dates depending of the ability of the stone mason. We have also found many inaccuracies in the older Sexton's records and in many cases the dates on the Sexton's records do not agree with the dates and names on the tombstones.

All information in parentheses is not part of the tombstone inscription, but has been taken from other resources such as the Sexton's records, City Hall burial records, obituaries, etc. This information should always be verified by another source before being used for genealogical purposes.

Also, the information recorded after the birth date may be the death date or the burial date. Again, this information should always be verified.

There are many unmarked burials in the cemeteries and those have been included when records were found. We have attempted to include military information where possible. Graves of veterans of the Spanish American War, World Wars I and II, the Korean Conflict, and Viet Nam as well as the Revolution and Civil War are flagged each spring.

Any mistakes in transcription or anywhere in this document are unintentional.

The use of abbreviations sometimes were required to fit the data to the format. They are:

GAR - Grand Army of the Republic

DAR - Daughters of the American Revolution

SAR - Sons of the American Revolution

WRC - Women's Relief Corps

NM - no marker

(2) - two markers for individual; usually a footstone or a military

stone with a family stone

(NLN) - no last name

(NOD) - no other data

y - years, m - months, d - days

w/o - wife of

d/o - daughter of

s/o - son of

h/o - husband of

(o) - Obituary

*Information in parentheses - Information not found on tombstone; found in other sources such as sexton's records; not necessarily accurate.

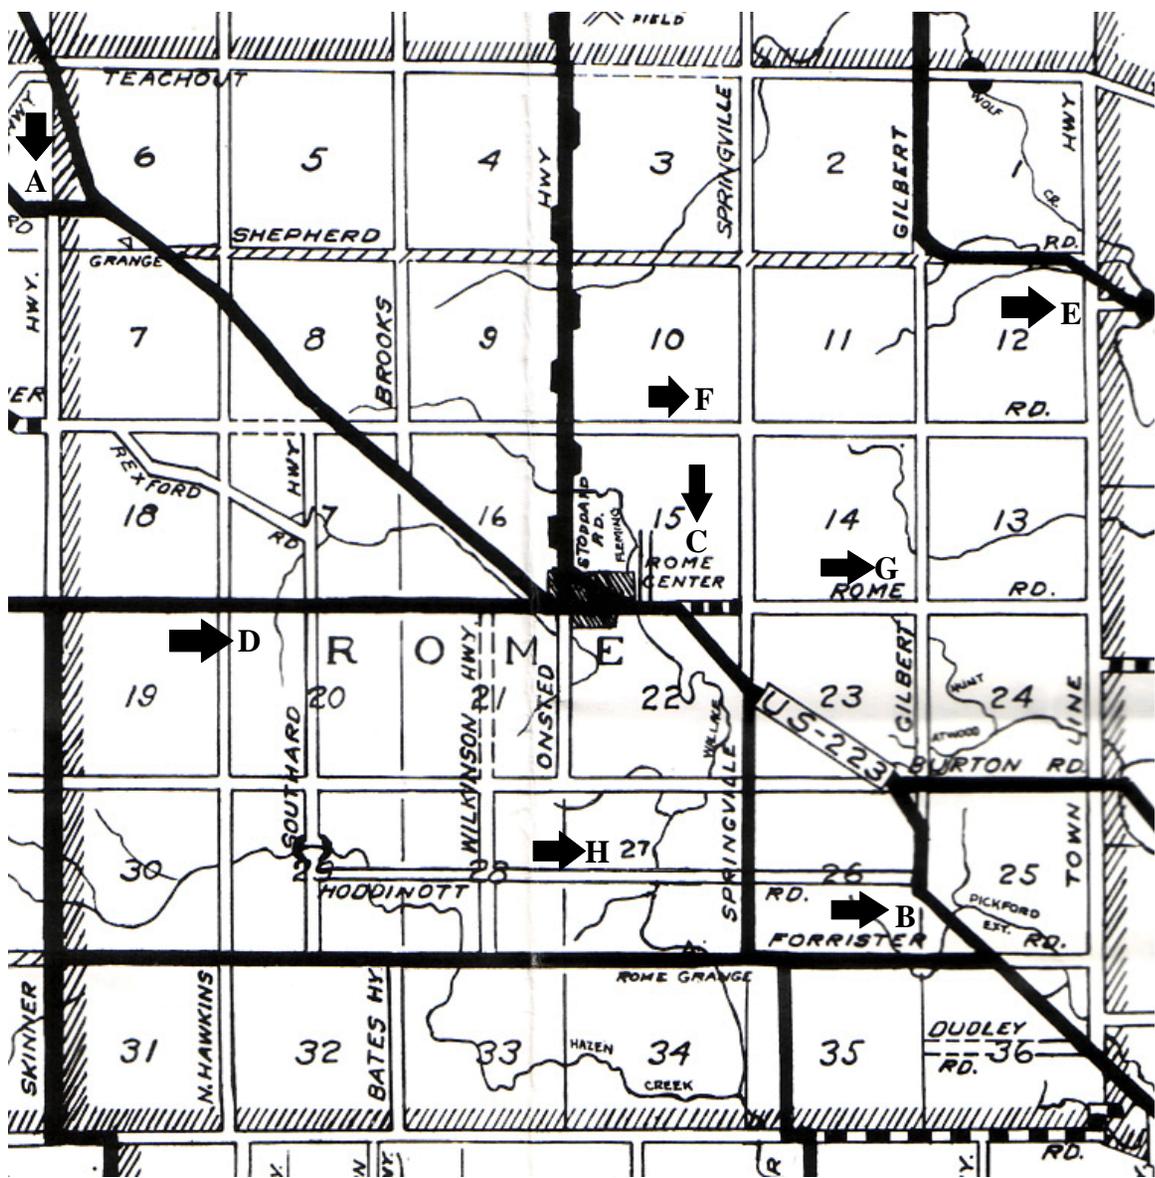

THANKS TO

This work is the result of hundreds of hours of work by our membership. They walked each cemetery, sometimes several times, sometimes in the heat, sometimes in the cold, and always fighting off the bugs and mosquitoes. They sat for hours and recorded data from the sexton and township records. They then spent many more hours typing into computer data bases. Then they checked and re-checked the end results.

This is a very dedicated group of people, and they cannot be thanked enough for the hours they worked and dedication with which they approached this project.

Special thanks go out to Mary Teeter, Paula Osburn, Carolyn Baer, Cathy Tervol, John and Karen McKeon, Charlie Keller, Dorothy Lee, Carol Stevens, Susan Sitterly and Sue Mitchell for their work on this volume of Lenawee County Burials. Thanks to the staff of the cemeteries and the township officials for assisting us.

North Rome Cemetery
AKA North West Rome Burying Ground

North Rome Cemetery, AKA North West Rome Burying Ground

The North Rome Cemetery early on was called the North West Rome Burying Ground. It is on Sandy Beach Road and was near the North Rome Church. No history on this cemetery was passed down by the Adrian DAR in their *Gravestones of Lenawee County* series which was done during the 1930 to 1940 era.

Ronald C. Ryan mentions the cemetery in his work "The History of Rome Township" which was published between November 5th and 8th in 1981 in the *Brooklyn Exponent* (newspaper published in Brooklyn, Jackson County, Michigan.)

The first death date we find is that of Edward Curtis, who died August 19, 1839, and who is buried in Row 16 of Section 2. The cemetery has been active since then, and burials are still being made there.

Right: Approaching the cemetery from US 223, heading west on Sandy Beach. This is the back side of the cemetery. Drive to the opposite end where you will find a blacktop driveway, turn right on that drive.

Left: The drive way and the gate.

We were delighted to discover a history of the cemetery written by Ernest Pawson, permission to use granted September 2012 by his granddaughter, Carolyn (Pawson) Holtz. The date Ernest wrote this article is unknown. We have decided to include his entire piece, it is rare that we find such a detailed history of any of the cemeteries in Lenawee County. It follows:

"A sandy hill in the wilds of southeastern Michigan in 1810, a covered wagon bearing a pioneer family, a little girl falling from the wagon and was fatally injured.

The tale marks the North Rome Cemetery as probably the oldest Christian burial ground in Lenawee County.

The late Ernest Pawson gave the following information. In 1810, John Walworth came through here. A small child (his daughter) fell off a covered wagon and was killed. They stopped and buried their little one in a cool, shady spot near the roadside. Six years later two more passed away and were buried near by.

In 1835, John Walworth took up 80 acres from the Government. Many years later, either a member of the family or a friend marked the grave with a stone. The name has worn away but the date 1810 still remains. In later years the stone has been repolished and the name "Stranger" added beside the date.

On November 13, 1885, Levi Stevens and wife Nancy deeded Section 1 (of the Cemetery) for \$1.00 to Thomas Curtis, Edwin Stoddard, Joseph Robinson, trustees of the North West Rome Burial Ground Association and their successors in office.

On October 13, 1897, Frank B. Stevens, son of Levi Stevens, deeded Section 2 for the sum of \$50.00 to the trustees of the North West Rome burial Ground Association. These two deeds were mailed to E. J. Stoddard, Stoddard, Michigan.

On September 17, 1921, Lucy J. Moran, deeded Section 3 for \$100.00. On December 1, 1961, Adolphus and Anna Russell deeded Section 4 for \$1.00, and other considerations. Also at this time Orville and Bernice Treat gave land for a

driveway on the west end of the Cemetery. Work was completed by the summer of 1963, giving an additional 120 lots, making the complete coverage about 5 acres.

September 30, 1911, the North Rome Cemetery Association was organized by many concerned people and the Cemetery was to be called the North Rome Cemetery.

October 1914, a committee of four men were appointed to purchase fence, arches and gates at a cost of \$152.75. 1921, a building was erected, a well and cistern put in.

Palm Sunday, 1965, the tornado passed through the Cemetery leaving a trail of destruction. The entrance arches were destroyed, the maintenance building completely demolished, trees uprooted and 69 tombstones broken or tipped over.

The new maintenance building was built on the north side of the Cemetery, a well put in and six hydrants placed throughout the Cemetery. A new chainlink fence and arches put up and the tombstones were repaired. Then bad luck again as vandals damaged five stones. An "unhappy 1965".

Since the North Rome Cemetery Association was organized, the Association has maintained the upkeep of the Cemetery, hiring a caretaker to mow the grass and each May before Memorial Day, members and interested people would trim and cut grass around the tombstones. We now hire a caretaker that takes care of all this."

Ernest's reference to a death in this area in 1810 is fascinating. First, we can find no reference to the stone inscribed 1810 "Stranger". It was not referenced in the 1937 DAR work, "Gravestones of Lenawee County, Michigan". A fun fact to point out is that in 1810 the Territory of Michigan (formed June 30, 1805) had almost 4,800 residents counted in that year's enumeration (census), noting that no Native Americans were counted. By 1820 there were just shy of 8,900 residents. Lenawee was formed as a county in 1822 from the Indian lands and included what is now Hillsdale, Cass and Berrien Counties. According to the work, "Portraits and Biographical Album of Lenawee County, Mich." by Chapman Brothers of Chicago, 1888, "...settlers came into this county as early as 1824."

One of Lenawee County's outstanding historians was Richard Illenden Bonner who published the two volume set, "Memoirs of Lenawee County, Michigan". Volume 1 being published in 1909 by the Western Historical Association in Madison, Wisconsin. Bonner goes into deep detailed telling (pages and pages) of the history of early Lenawee, including the times when the residents were primarily Native American. In part of his discussion of the forming of the Territory of Michigan (1805) he states: "It must be constantly borne in mind that the Indian title had not yet been extinguished in Michigan, except as to the six mile strip from the River Raisin to Lake St. Clair, and that even this strip had not been surveyed into lots and brought in to market; therefore settlement was confined to the old French grants along the river front, and almost entirely within the six mile strip. Hildreth, writing of the year 1812, and speaking of Governor Hulls' arrival at Detroit, says: "Hull's army reached Detroit, which contained at that time only some 800 inhabitants. The neighboring villages on the strait land had about twice as many, the whole Territory of Michigan not much more about 5,000 most of them of French origin."

Bonner continues: "In the main,, all of southern Michigan was barren of white inhabitants, and so far as the present site of Lenawee county is concerned, it was in the language of the young Fourth of July orator, 'a howling wilderness.' The Indians and what few whites there were in the vicinity of the reservations had continued to live in comparative peace..."

Bonner continues to tell us in the first paragraph of his Chapter III (page 57 of the original printed copy):

"The pioneer settlement of Lenawee county was commenced less than two years before the county, as a separate organization, had an existence. The first settlement was made on May 21, 1824, on the present site of the village of Tecumseh."

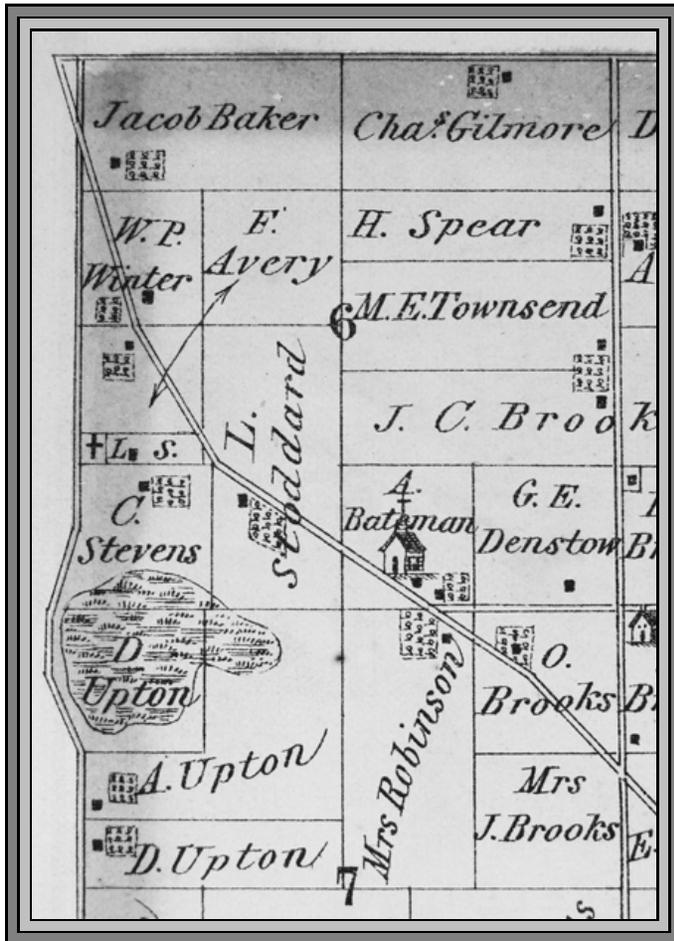

Another interesting fact turned up during our research, was that according to the data base, Michigan Census, 1827-70, at Ancestry.com, there was a John Walworth enumerated in a 1822 census of Monroe County, Michigan, no township noted. There are no images connected to this data base and in any event most census enumerations before 1850 were simple affairs, counting the numbers of people living in a residence, but, not giving any names other than the head of household. To determine if this is the same John Walworth of Ernest's history would be very hard to do.

Recently some of the Adrian Daily Telegram (published in Adrian, Lenawee County, Michigan) newspapers became available at a fee site online. In an attempt to discover history about North Rome Cemetery a search was done. What was found was a very interesting bit of history concerning the cemetery associations of the early 1900's and some of their activities. It appears that then, even as today, care of our cemeteries was of concern to the local citizenry and associations were formed for the upkeep and care. A number of articles were found for the West Rome, East Rome and Rome Center cemeteries, please see the histories of each. Only one article was found for North Rome, it has been transcribed and included here. It was published in the Adrian Daily Telegram, on March 16, 1917:

"The North Rome Cemetery society held a social at the church and furnished dinner for the men who worked in the wood bee."

Right: The cemetery has a lovely sign over the main entrance to the cemetery. Section 1 is to the right of this gate, Section 2 is to the left. See site map for further details.

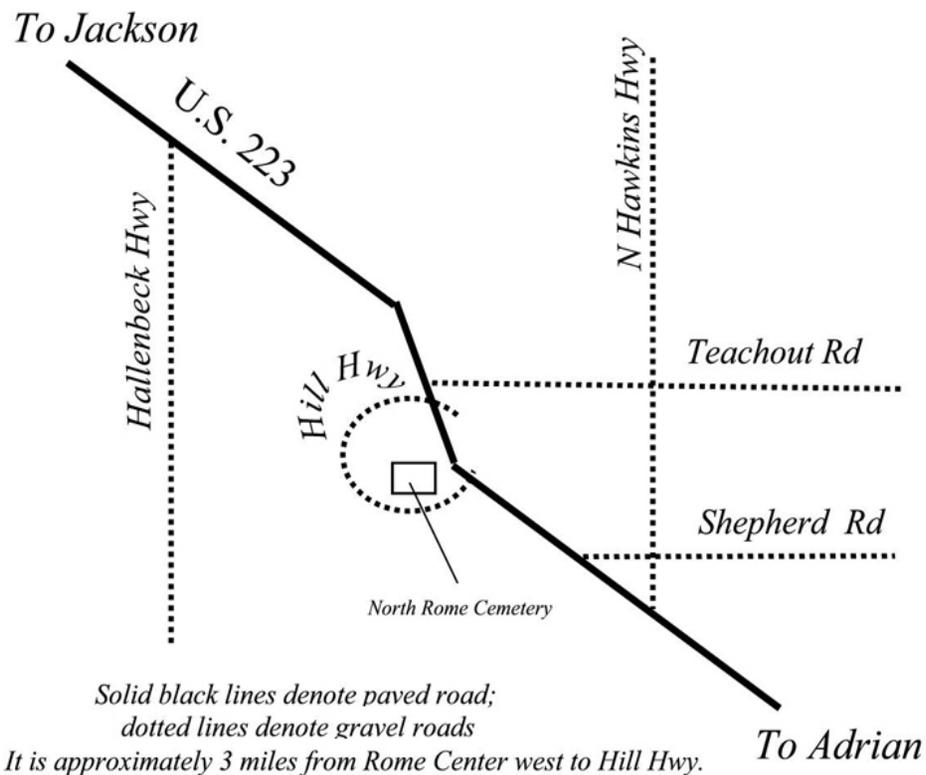

Left: From the 1874 plat map of Rome Township, this is Section 6, the cemetery lies to the far left side of the graphic, represented by a very small "cross" icon. Land owned by C. Stevens is directly south. Just east is a smaller plot owned by "L.S." The land to the north is owned by E. Avery.

Carolyn (Pawson) Holtz told us that until recently, all graves in North Rome were dug by hand.

East Rome Cemetery
AKA Union Burying Ground

East Rome Cemetery, AKA, Rome Union Cemetery

The Adrian DAR had very little history about the Rome Township cemeteries, including East Rome, aka, Rome Union. The following 3 short paragraphs is all that was recorded in the work, "Gravestones of Lenawee County, Michigan", dated 1937.

"Rome Union Cemetery indicates the Union of East Rome and West Adrian Townships; the name on the arch over the Gateway stated Rome Union; but has lately designated East Rome.

The land for the cemetery and the site of a nearby Baptist Church was given by Horace Adams. There is no stone marker for him. The church was moved away and the Society abandoned just before 1930.

Information given by Mrs. Mina Lyndamore, 603 Company Street, Adrian, Mich. She was once a member of the said church."

First thing of interest we note is the statement that there is a arch over the gateway. There is no arch or gateway in 2012. There is a sign, fairly rusty and yes, in need of paint.

As you can see from this photo, the cemetery now sits along Forriester Road with no gates and no fences.

Forriester Road is in the foreground of this photo. Photo is taken looking westerly.

Recently some of the Adrian Daily Telegram (published in Adrian, Lenawee County, Michigan) newspapers became available at a fee site online. In an attempt to discover history about East Rome Cemetery a search was done. What was found was a very interesting bit of history concerning the cemetery associations of the early 1900's and some of their activities. It appears that then, even as today, care of our cemeteries was of concern to the local citizenry and associations were formed for the upkeep and care. Union Cemetery had a "bee" to improve the cemetery in 1907, entertainment in 1910. Several meetings were announced in the paper, and if you came to the one in 1915, there was a "pot lunch dinner" included.

From the July 1, 1907 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"If one wants to see a nicely improved cemetery, look at the Union cemetery at East Rome now. There was a bee held

there all day Tuesday. There were about fifteen in attendance in the forenoon and twenty in the afternoon; so a large amount of work was accomplished, just in time for the nice rain of Wednesday."

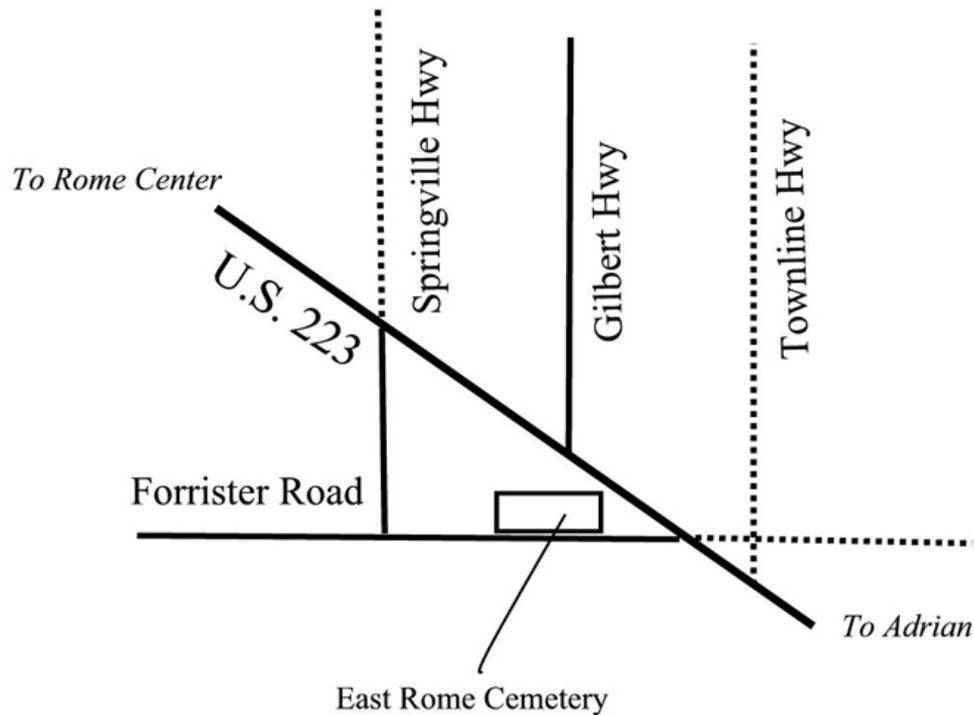

From the August 26, 1910 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:
"Mrs. Alvira Lapham will entertain the East Rome Burial association next week, Wednesday, Aug. 31."

From the December 14, 1914 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:
"NOTICE - - All interested in Union cemetery association of East Rome, are requested to meet at Walworth Grange Hall Wednesday, December 16th, 1914, at 1 o'clock p.m. By order of the president 140-2 "

From the December 15, 1915 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:
"ROME - - Notice: The annual meeting of the Union Cemetery Association will be held at Rome Grange hall, Dec. 19, at 10 a.m. Pot lunch dinner, Anna Walworth, Sec. 141-143"

The East Rome Cemetery is still quite active, burials still being made. It is well maintained, the lawns always cut and neat. As shown in the photo it is, in 2012, very easy to see from the road, there are not very many trees which tend to hide cemeteries. The sections indicated on our maps are not necessarily those of the sexton. The grass drives are not easy to distinguish from the rest of the lawn areas, you can feel them as much as see them, and there are no burials in those drives.

East Rome Cemetery, AKA, Union Burying Ground
Rome Township, Lenawee County

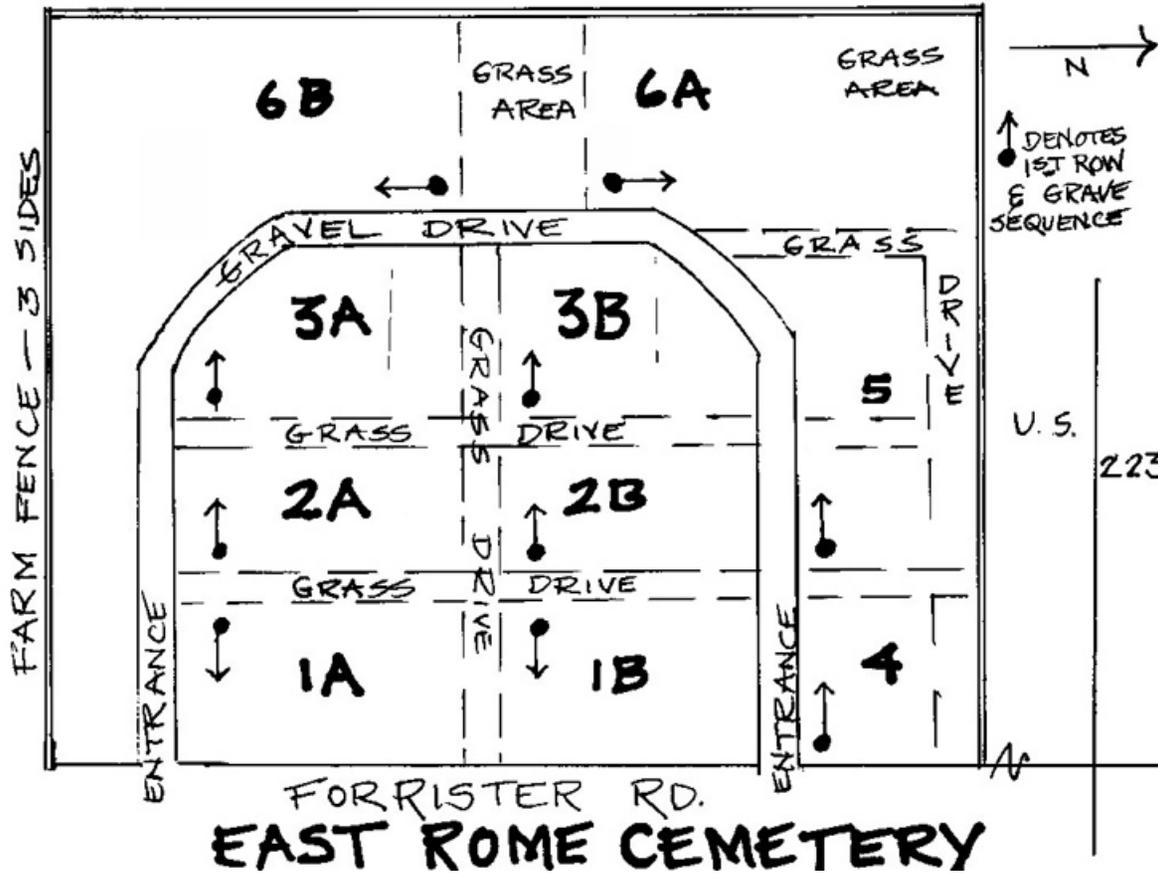

East Rome Cemetery, AKA Union Burying Ground is .3 of a mile west of 223 on the north side of Forrister Road. There are several gates/entrances to the cemetery.

Solid black lines denote paved road; dotted lines denote gravel roads

From the east, drive west on U.S. 223 to Forrister Road, approximately 0.75 miles past Townline Hwy. From the west on US 223, drive south on Springville Hwy approximately 0.75 miles. The cemetery is on the north side of Forrister Road.

East Rome Cemetery, AKA, Union Burying Ground, Site Map

(Note: In 2012 there is a grass driveway in Section 5 with no burials. Section 5 was walked from the start point indicated and each row crosses the grass drive.)

East Rome Cemetery, AKA Union Burying Ground

The East Rome Cemetery, AKA, the Union Burying Ground has some old stones, barely legible. It is also an active cemetery, burials are still being done here. Row X at the end of this record is for names of those we know were buried here. Most of Row X records are thanks to the "Gravestones of Lenawee County" work, published in 1937. The headstones have sadly, gone missing over the years. This cemetery was a challenge to walk and record, the grass driveways are visible, but, not glaringly so. Use of the site map is highly encouraged.

Rome Center Cemetery

Rome Center Cemetery

Rome Center Cemetery is among Lenawee's oldest cemeteries, the earliest burial we find is for William Champenois, who died on Dec 8, 1834, and is buried in Section 1, Row 5. He was a Revolutionary War Soldier, whose marker was placed by the Sarah Treat Prudden DAR Chapter.

Rome Center Cemetery sits about .3 of a mile north of the intersection of US 223 and Rome Road. It is a bit difficult to find. The access road is that small strip of dirt just to the right of that large white pole barn.

Recently some of the Adrian Daily Telegram (published in Adrian, Lenawee County, Michigan) newspapers became available at a fee site online. In an attempt to discover history about Rome Center Cemetery a search was done. What was found was a very interesting bit of history concerning the cemetery associations of the early 1900's and some of their activities. It appears that then, even as today, care of our cemeteries was of concern to the local citizenry and associations were formed for the upkeep and care. Rome Center, it seems had a very active association, quite a few articles were found. One of the first articles located was concerning the possible organization at the next library social. The articles may have included the hosts, the menu and entertainment. Sometimes the articles even reminded members to come to the meeting prepared to pay their dues.

From the June 7, 1902 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"It is hoped that the people in this vicinity and elsewhere who are interested in the Rome Center cemetery will soon form themselves into an organization for the purpose of the better keeping up of the grounds. It has been proposed that it be considered at the next library social."

From the October 15, 1909 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"ROME CENTER - - About forty people enjoyed the hospitality and chicken pie dinner of Mr. and Mrs. Bert Wells. It was the meeting of the Cemetery association."

From the December 7, 1911 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"SOCIAL EVENTS

Mrs. William Lawrence and daughter Miss Mildred Lawrence opened their home at 16 North Winter street to the Rome Center Cemetery association today for a chicken pie dinner. It was a day of visiting as well as of eating and as largely attended by city people as by Rome Centerites, many of the city people there having formerly resided in Rome. The attendance was unusually good. Dinner was served from 11 until the middle of the afternoon."

From the November 29, 1912 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"ROME CENTER

The Rome Center cemetery social will be held Thursday, December 5, with Mrs. Wm. Rexford in Adrian."

From the April 30, 1914 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"ROME CENTER

The cemetery society will hold a social at the home of Mr. and Mrs. Persa Smoke, Thursday, May 7. As it is the election of officers, a good attendance is desired. All members come prepared to pay dues. Supper social."

From the May 30, 1914 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"ROME CENTER

The Rome center cemetery social will be held at the home of Mr. and Mrs. Will Hood Friday, June 5. Potluck supper."

From the June 13, 1917 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"ROME CENTER

Cemetery Social

ROME CENTER, June 13. - - The Rome Center Cemetery social was held Thursday afternoon with Mrs. Beulah Barrows, secretary. After the business meeting a short program was given as follows: Instrumental music, Mrs. Francis Howard; reading, Mrs. Joe Ruhl; recitation, Miss Hazel Sayers; song, Mrs. Beulah Barrows and Mrs. Ruth Howard; Mrs. Ruth Howard and Rial Richardson gave a number of pieces on the piano and saxophone; song, by Miss Mame Hawley and Mrs. Francis Howard. A fine supper was served and a fine time enjoyed by all. The next meeting will be held with Mrs. Emma Smith, July 5, with a pot luck supper and voluntary program."

The cemetery association also notified relatives that fees for grave care were becoming due, \$1.00 for the year of 1918 and 1919.

Published in the June 10, 1919 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"ROME CENTER - - Those having relatives or friends in the Rome Center cemetery and wishing for their graves cared for, please send \$1 for 1919. All those who did not pay in 1918 send \$2. Signed: Mrs. Julia Ryan, Sec'y, Onsted, Mich.

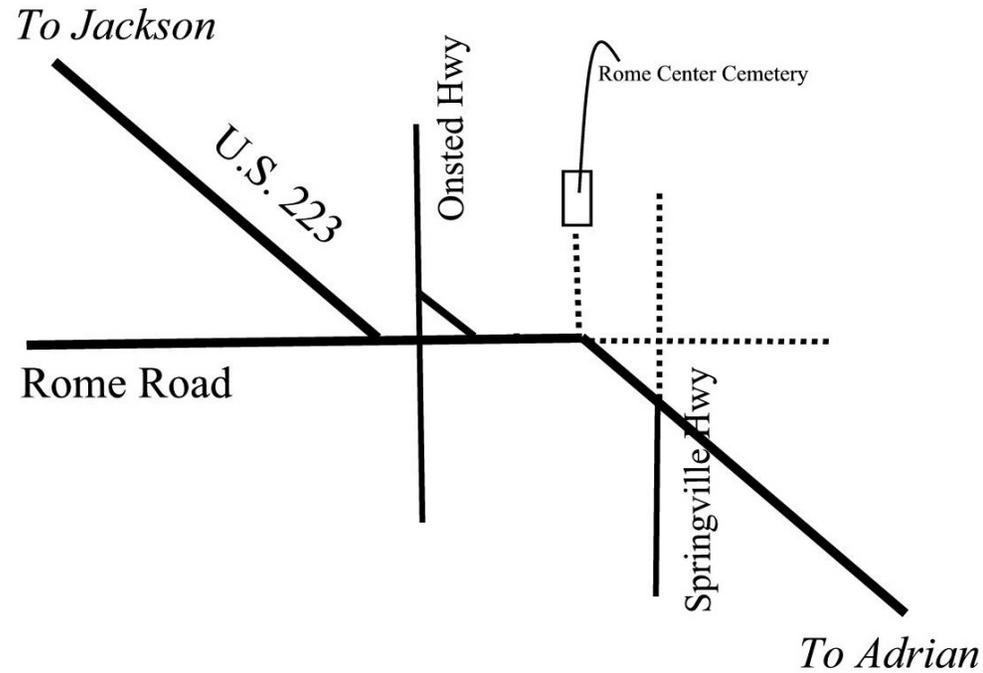

R.F.D 136-138

ROME CENTER - - All owners of lots in Rome Center cemetery are requested to forward \$1 for this year and same for previous years unpaid for. Signed: Mrs. Anna Hood, president; or Mrs. Ida Cole, treasurer.

Right: Rome Center Cemetery has no formal gate, only a farm fence. For the most part the burials are up the hill. It is a well maintained cemetery.

West Rome Cemeteries

West Rome Cemetery

The West Rome Cemetery is .2 of a mile south of Rome Center Road on the east side of North Hawkins Highway. It is very easy to find as you drive south on North Hawkins. In the photo below, the cemetery is being approached from the north, driving south, therefore the cemetery is on the left side of the road. Note that North Hawkins is a gravel road.

Recently some of the Adrian Daily Telegram (published in Adrian, Lenawee County, Michigan) newspapers became available at a fee site online. In an attempt to discover history about West Rome Cemetery a search was done. What was found was a very interesting bit of history concerning the cemetery associations of the early 1900's and some of their activities. It appears that then, even as today, care of our cemeteries was of concern to the local citizenry and associations were formed for the upkeep and care. Articles found covered road improvements to the cemetery, election of officers, a entertaining afternoon and reminders that fees for grave maintenance were due, \$1.00 for 1918 and 1919.

From the June 26, 1894 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

From the June 5, 1919 issue of the Adrian Daily Telegram, Adrian, Lenawee County, Michigan:

"WEST ROME - - It would be greatly appreciated by the West Rome Cemetery society if those having friends buried in the West Rome cemetery, would send \$1.00 for 1919. Those who failed to send in 1918, please send \$23.00. It takes money to carry on this work, which can only be accomplished when each one does his part. Send to Florence C. Robinson, Sec'y Manitou Beach, Mich. R.D. 1. 1933"

Endnotes: Section 3, Row 4. Horace S. Bonney, name is in question, as he is listed in the Gravestones series (DAR) as Horace Baker with the same dates, son of C S & I. Researchers are urged to use caution.

There have been reports of burial spots in the back of Section 4 in a large brush pile. This is unsubstantiated and one of the volunteers walking this cemetery did not see any stones there. It is supposition, of course, but, it is possible that broken stones have been placed here to keep out of the way of mowing equipment. There are no plots recorded in this area on the plot map.

Wolf Creek Cemetery

Wolf Creek Cemetery

Above, the cemetery has a fence, gate and sign. The main grassy drive goes up the hill from this gate.

Wolf Creek is another old cemetery here in Lenawee. The first burial we find in the records is for Elias Salsbury, who died November 18, 1834, a baby, just 2 years and 9 months old, he is interred in Section 2, in what is now Row 5. The next year, 1835, Sally Rogers, who was born 1794, died, and was interred at Wolf Creek. Sally is buried in Section 2, in what is now Row 9. Sally was the first wife of Cory Rogers, who is also interred here. In 1836 the cemetery was to become the final resting place for two souls, first Keziah Haight, wife of Reuben, who died February 4, 1836 (see

Section 2 Row 12). Later that summer Clark H. Smith died on July 31, 1836, another baby of 11 months and 10 days, son of HF & LK. Clark is buried in Section 2, current row 4.

Many of the stones and memorials are showing signs of years and years of age and sometimes vandalism. Some of the older larger monuments have toppled over due to poor foundations. We have found a number of the stones buried deeply in shrubs or nearly buried themselves. It appears that family or the cemetery have replaced a few of the old faded stones with new ones, on one occasion, what we believe was the old stone was discovered with a newer stone nearby.

The cemetery has a large grassy parking area between Townline Road and the gate. This view is looking west/northwest.

Recently some of the Adrian Daily Telegram (published in Adrian, Lenawee County, Michigan) newspapers became available at a fee site online. In an attempt to discover history about Wolf Creek Cemetery a search was done. What was found was a very interesting bit of history concerning the cemetery associations of the early 1900's and some of their activities. It appears that then, even as today, care of our cemeteries was of concern to the local citizenry and associations were formed for the upkeep and care.

From the May 16, 1901 issue of the Adrian Daily Telegram:

"All interested in the Wolf Creek cemetery will please remember that Saturday, May 25, is the day appointed by the officers, for cleaning and beautifying the grounds. Let every one who can do so be present, that this little cemetery may be made still more attractive."

From the May 24, 1905 issue of the Adrian Daily Telegram:

"Those interested in the Wolf Creek cemetery are asked to be present Saturday and help clean and beautify the grounds."

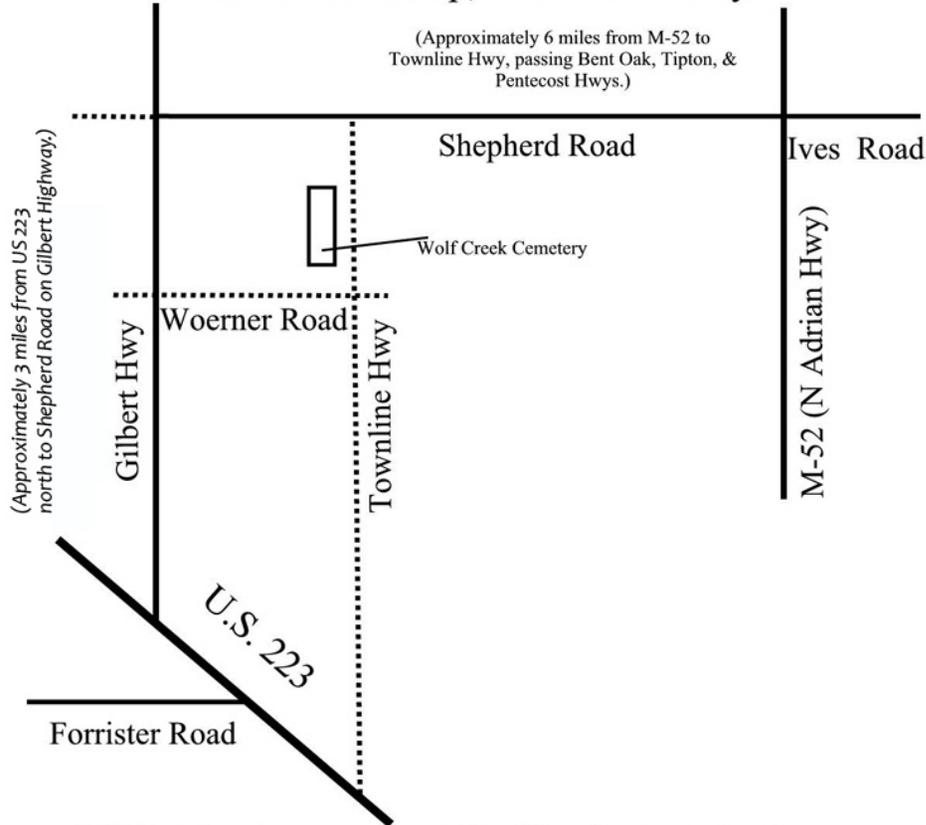

We also found notifications of dues, seems in 1918 several of the Rome Township cemetery associations did not collect all the fees due them, as we found at least two other similar notifications in 1919.

From the May 9, 1919 issue of the Adrian Daily Telegram:

"WOLF CREEK - - All those interested in the Wolf Creek cemetery please send annual dues of \$1. Those that did not pay last year please send \$2. to Mrs. B. C. Knowles, Sec. 110-112"

Wolf Creek Cemetery Rome Township, Lenawee County

(Approximately 6 miles from M-52 to
Townline Hwy, passing Bent Oak, Tipton, &
Pentecost Hwys.)

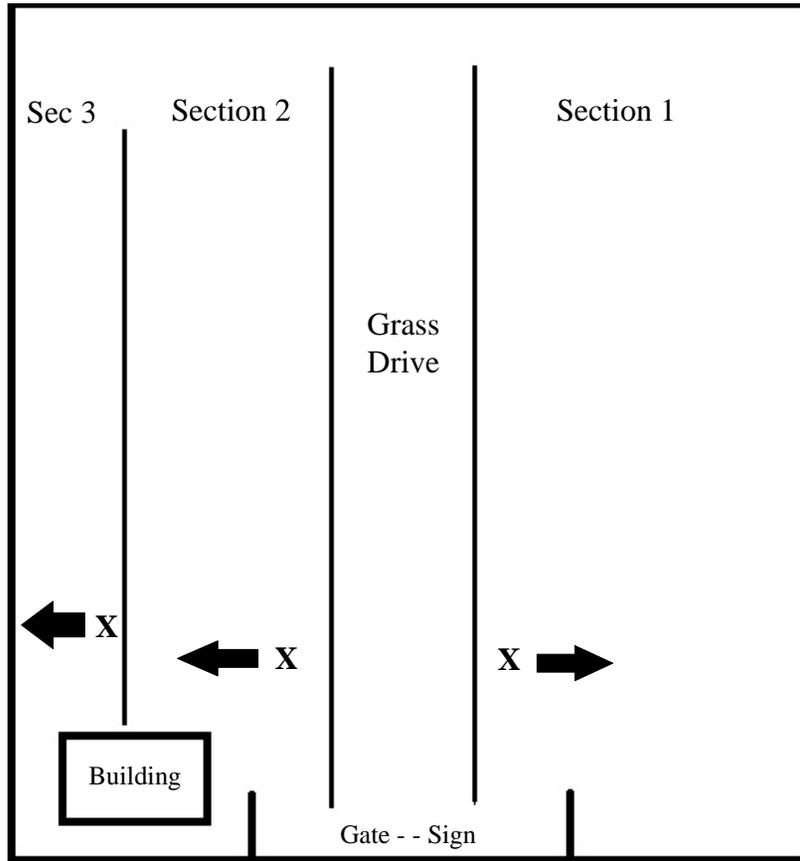

**Wolf Creek Cemetery is .5 of a mile south of
Shepherd Road on the west side of Townline
Highway. Note: Map not drawn to scale.**

Solid black lines denote paved road; dotted lines denote gravel roads

Townline Hwy represents the division between Rome and Adrian Twp, however it is not a paved road. From Adrian there are several routes available, however, it is suggested that one of two approaches drawn above be used.

Wolf Creek Cemetery Site Map

Each section was read from the front of the cemetery to the back, starting at the "X" and walking in the direction of the arrows. Section 1 was read from south to north. Sections 2 and 3 were read from north to south.

The line indicating the border of Section 2 and 3 is not a marked line, but, a grass area that can be seen, clearly marking the sections. The line on this map is to help you distinguish the sections.

Section 3 is only about 15 feet wide.

This is an old cemetery and many of the stones are very hard to read, missing, or have toppled over.

Wolf Creek Cemetery

Row X is for burials we know are in this cemetery but that we were unable to discover in our many trips to the cemetery.

Some of the data was derived from SeekingMichigan.org, FamilySearch.org, Find A Grave, Gravestones of Leneawee County by the Adrian DAR.

Bates Cemetery

Bates Farm Burial Plot

The Bates Farm Burial Plot is mentioned in "The History of Rome Township" by Ronald C. Ryan (published November 5 through 8th, 1981 in the Brooklyn Exponent, Brooklyn, Jackson County, Michigan). Ronald's one sentence mention tells us where this cemetery was, and that it existed, nothing more.

We also find information on the Bates Farm Burial Plot recorded in the Gravestones of Lenawee series by the Adrian DAR, done in the 1930 to 1940 era. The volume (there were five volumes in all) that contained Rome Township was published in 1937. It is an interesting back story in that the Gravestones series was typed on onionskin paper, several copies were made, we believe that carbon paper was used to make successive copies. It is very hard to read, there is a lot of bleed through, as is to be expected. These books were then distributed, with a copy ending up at the Adrian Public Library, in Adrian, Lenawee County, Michigan and another copy at the Library of Michigan, Lansing, Ingham County, Michigan. Both copies were studied and used during the production of this Burial of Lenawee series. It was discovered that the copy of the volume with Rome Township stored at the Library of Michigan had a signature of Juliaett Bates Sayrs, who signed the statement about this cemetery. See transcription below.

The following is an full transcription of the cemetery records and history as found recorded in the Gravestones of Lenawee County.

Daniel Bates came to Michigan in 1835 and settled in Rome Township, Lenawee County, on Section 10. As was customary with the early pioneers, a plot on the home farm was devoted to burial purposes, and the Bates had such a lot. There are three stones still in evidence, 1934:

Daniel Bates, son W. & L. died July 18, 1844, ae 5 months
Ruth Pitcher, wife of John, died September 17, 1848, ae 24 y 6 m
Myron Spaulding, son A.P & R.A., died March 30, 1865, ae 4m, 16d

Daniel Bates and wife, Priscilla Cole, were interred in this plot but were removed to the Rome Center Cemetery when the township organized this ground. On their monument is the inscription of the father of Mrs. Bates, Peleg Cole and his wife, Mary Saulsbury: this record is a memorial only as their bodies were never removed from the farm.

This fact is attested to by the great-granddaughter, Juliaett Bates Sayrs (Mrs. I. Eugene Sayrs) and daughter of Caleb Bates.

To this statement she sets her hand and seal, on the fifteenth day of June, 1937.

Signed: Juliaett Bates Sayrs

Subscribed and sworn to before me, a Notary Public, this 15th day of June, 1937

Signed: L. A. Walker

My commission expires January 17, 1939

Courthouse record:

John Pitcher, son of Henry and Mariah Pitcher of Rome, died April 24, 1897 ae 74 y (Book B, page 298)

Thus ends the transcription, many thanks to the Adrian DAR for all their work on the Gravestones of Lenawee County series, without which pieces of Lenawee's history would be missing.

Please refer to the township cemetery map at the front of this volume for general directions to this site. According to Ronald C. Ryan, the cemetery was $\frac{1}{2}$ mile west of Springville Highway, on Woerner Road. This map comes from the 1874 Plat Map of Lenawee County. In Section 10, the cross icon representing the cemetery is found in the land owned by Caleb Bates. By the way, we find a burial of one Caleb Bates, born 1821, died 1900 at the Rome Center Cemetery. We note however, that the cross representing the cemetery does not appear to be $\frac{1}{2}$ mile west of Springville Highway, but somewhat less than that. Caleb Bates owned the SE quarter of the section, with $\frac{1}{2}$ mile frontage on Woerner. If the placement of the icon is correct, then, Robert C. Ryan's statement that the cemetery was $\frac{1}{2}$ mile west is incorrect.

The reference to 3 stones still being on site in 1934 was somewhat worrisome. Were those stones still there? We visited a current landowner in the area who has lived there since the early 1940's. They have no recollection of any burial ground on their property. This family lives west of Springville Highway, but further west than the icon on this map. Looking further

east, there are two houses, with a woodsy, boggy area between. If the graves were in the woodsy, wet area, the stones could be there or could have sunk into the ooze. It's possible that they are still there in the woods, the land owners we were able to contact have no knowledge of the stones, and the woods isn't on their property. It's also possible that the stones are on the property of one of the two houses closer to the corner of Woener and Springville. The occupants of those two houses were not interviewed.

Google Maps and Bing Maps were also studied, and we see no evidence of stones or burial grounds in the first $\frac{1}{2}$ mile of Woerner Road, west of Springville Highway. The Bing Map image was done when the fields were plowed for planting, it is quite easy to see that there are no stones or burial ground in those acres. The woodsy area is also quite clear on the Google or Bing maps, the image(s) were taken when there were enough leaves on the trees to obscure 3 small headstones.

Halstead Farm Cemetery

Halstead Farm Cemetery, Site

Cemetery was in Section 14 of Rome Township. The information was recorded in 1937 by the Adrian DAR for the Gravestones of Lenawee County series, that work reports the farm was owned by the Hunt Estate. The record found in the Gravestones of Lenawee County is somewhat unclear as to whether or not these graves were actually marked by gravestones.

According to "The History of Rome Township" by Ronald C. Ryan, published in the Brooklyn Exponent (newspaper published in Brooklyn, Jackson County, Michigan) from November 5, through the 8th, 1981, the Halstead Cemetery was on Rome Road just west of Gilbert Highway on the north side. Ronald claims "the graves in this cemetery were never moved, they were just plowed over and now it is just another crop field."

A study of the 1874, 1893 and 1916 Plat Maps of Lenawee County provide us with some additional information. In 1874 it is easy to find the cemetery on land owned by G. W. Hunt. According to the 1874 Plat Map of Lenawee County the cemetery sat on land in the extreme southeast corner of Section 14 which was owned by G. W. Hunt, with Thos Johnson, L. Reynolds, L. Hawley and H. Lawrence owning land surrounding and nearby. On the 1874 map we clearly see the cross the map used to represent cemeteries.

On the 1893 the land is owned by the estate of Geo Hunt. Nearby we find land owned by Thomas Johnson, and south of it is land owned by Lydia A. Lawrence. There is no cross indicating a cemetery in 1893.

On the 1916 plat map the land is owned by John C. Barber with the land to the south owned by P. McLouth, again, there is no cross to indicate a cemetery at this site in 1916.

Since the cemetery was in the southeast corner of Section 14, some of the Hunt land and that of his neighbors did not lie in Section 14.

From the study of the plat maps, and nothing more, it would seem that the cemetery was either moved or plowed under, sometime between 1874 and 1893. Ronald C. Ryan says it was not moved. We do find evidence of at least one of the following names in another cemetery in Rome Township.

"Gravestones of Lenawee County" records the following burials for this cemetery site:

John Halsted, died Feb. 9, 1847 age 64y 11m 23d

Mary Halsted, wife of John, died Feb. 7, 1855, age 68y 3m 22d

Jacob W. Halsted, died April 18, 1855, age 37y 10 14d

Jane Halsted, wife of J. W. and daughter of William G. & Philinda Perkins, died May 8, 1851, age 31y 9m 22d

Philinda Halsted, daughter of J. W. and Jane, died. - - - - 14, 1843, age 2 y

Eliza Ann Halsted, wife of Edward, died December 30, 1850, age 34y 7m 9d [Record found for Eliza at Wolf Creek Cemetery, Section 2, Row 10]

Emma E. Drake, daughter of Wm. L. and E. E., died January 26, 1858, age 5y 11m

Mary E. Drake, daughter Wm. L. and E. E., died February 21, 1852, age 1y 10m 22d

Wm. Baker, born August 16, 1786, died February 12, 1850

Ruhamah Baker, born October 29, 1784, died February 12, 1868

Wm. Baker, Jr., born June 14, 1825, died August 21, 1846

Daniel Thurstin, died February 26, 1842, age 57y

Sally J. Gouldsbury, daughter B. F. and E., died September 1, 1844, age 10y and 14d

Sally M. Reynolds, daughter L. & B, died July 28, 1856, age 18y 1m 11d

Emely A. Reynolds, daughter R. & A., died January 10, 1850, age 3 years

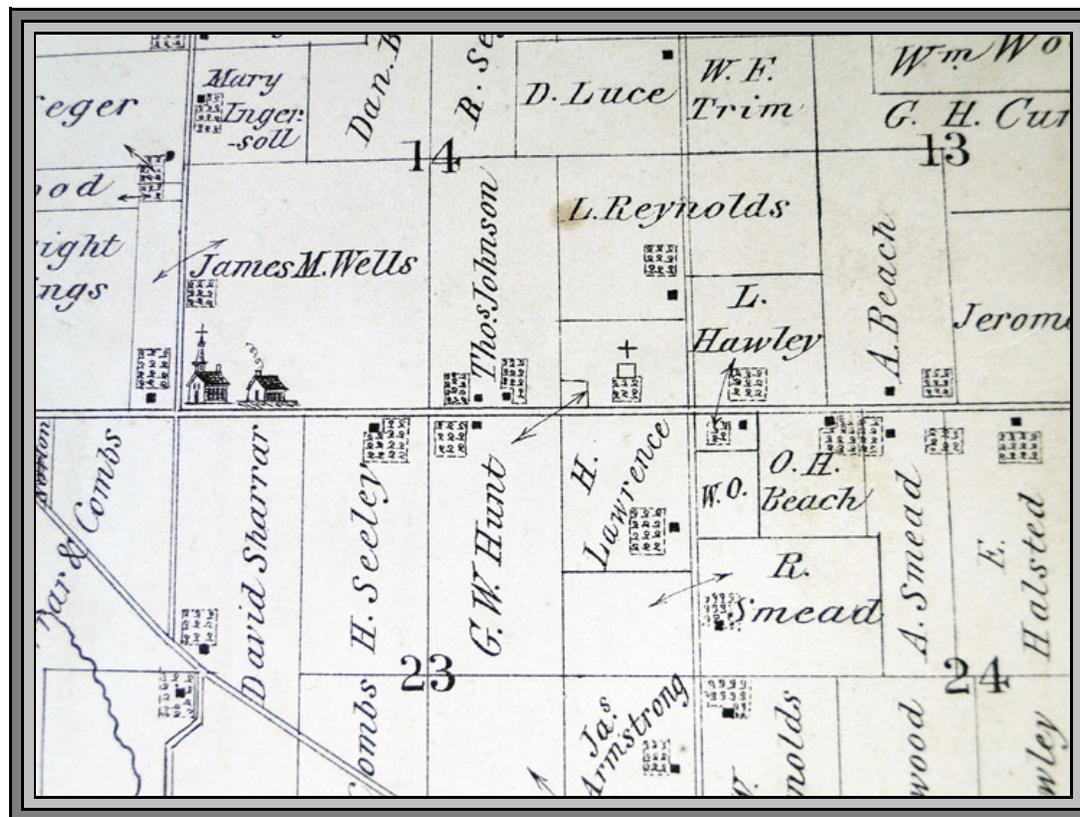

The DAR record seems to indicate that the following two graves were unmarked by stones.

Data was provided by Mrs. Luella (Reynolds) Baragar wife of George E. Baragar of Rome Township. She is a descendant of Leonard Reynolds. Again, it is unclear if Mrs. Barager provided the entire census of this cemetery or just these last two names.

Leonard Reynolds, born August 1800, died March 27, 1882

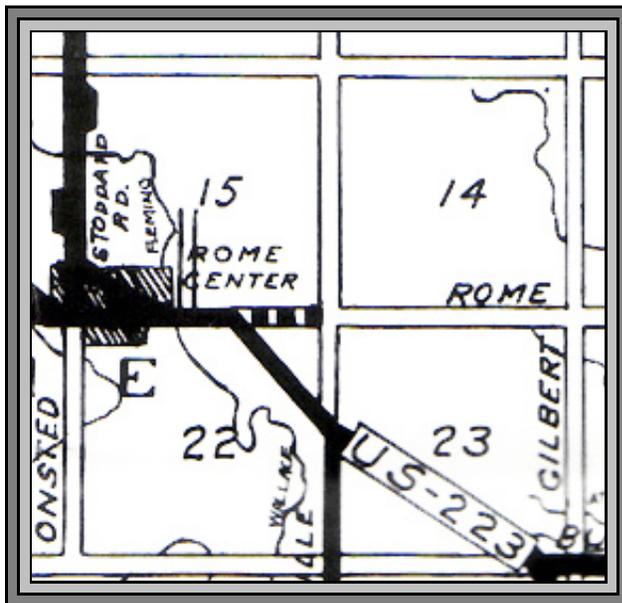

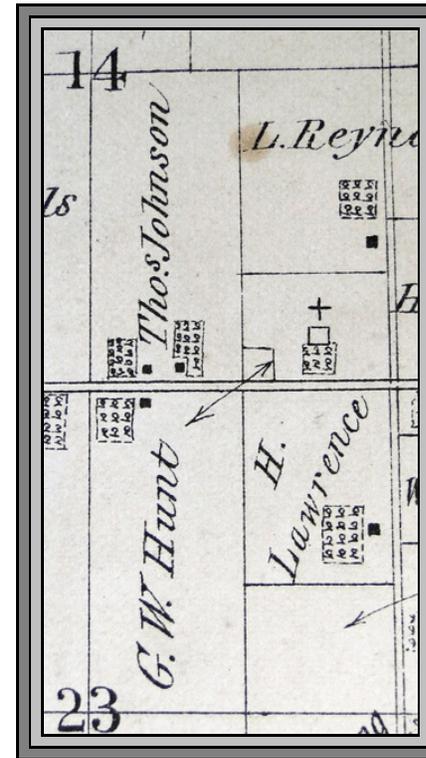

Betsey, nee Halstead, Reynolds, died October 3, 1880.

These graphics (above and below on next page) are both from the 1874 Plat Map of Rome Township, Lenawee County, showing the location of the Halstead Farm Cemetery. It is recorded by the Adrian DAR in their work, "Gravestones of Lenawee County" and by Ronald C. Ryan in his work "The History of Rome Township" published in the Brooklyn Exponent (newspaper published in Brooklyn, Jackson County, Michigan) from November 5, through the 8th, 1981 to be in Section 14, or on Rome Road just west of Gilbert Highway. The highways are not shown on the plat maps. The cross icon indicates a cemetery.

Luther Cemetery (Site)

Luther Cemetery (Site)

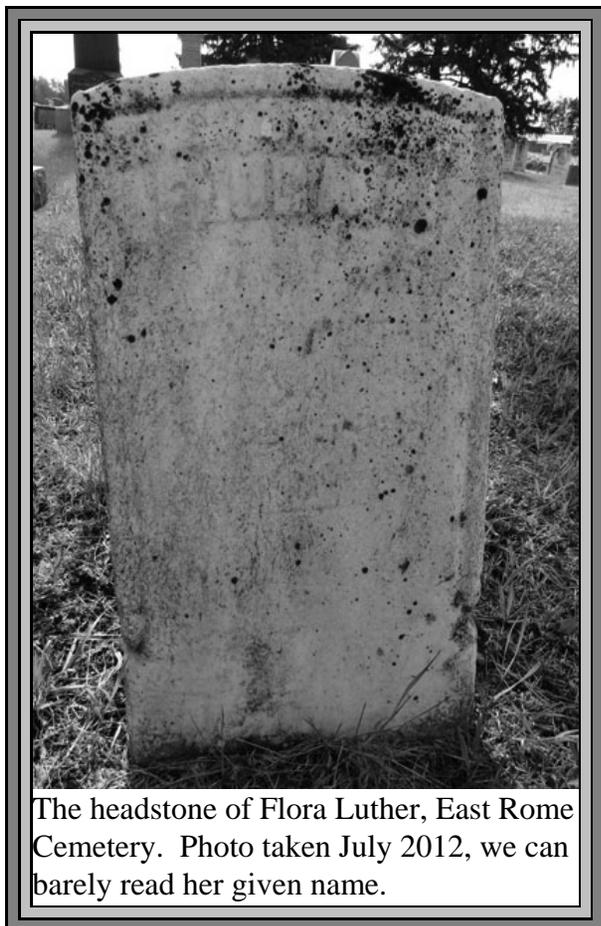

This cemetery was not included in the Adrian DAR series, "Gravestones of Lenawee County". We are not sure why. It is clearly on the 1874 plat map of Lenawee County. We went looking for this cemetery when we found Ronald C. Ryan's work, "The History of Rome Township", published in the Brooklyn Exponent (Brooklyn, Jackson County, Michigan) between November 5 and 8th, 1981, where he wrote:

"There was the Luther Cemetery $\frac{1}{2}$ mile west of Springville Hwy., on Hoddinott Rd. The graves from here were dug up and moved to East Rome Cemetery."

Right: This is section 27 of Rome Township as seen in the 1874 plat map, just to the left and up a bit from the number "2" you can see the graphic icon for a cemetery, a small cross. Note it appears in the section of land owned by T. Luther. (T. Luther could be the Theodorick Luther, died 1887. We find him buried at East Rome Cemetery, in Section 6B, Row 7.)

A quick review of the burials at East Rome Cemetery will find a number of Luther and McRobert burials, including these that could possibly have been buried in the Luther Cemetery and then moved to East Rome. We are basing this list on the fact that this cemetery is not found on the 1893 plat map. So, it would seem the cemetery was moved prior to that date, in fact maybe even a few years earlier, as it does take a year or two to prepare a plat map before the publication date.

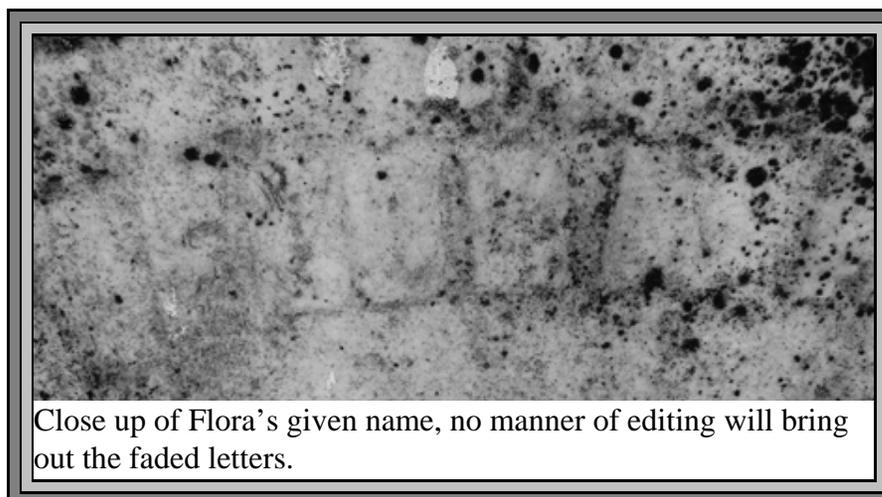

We have no way to verify these ancestors were actually buried in the Luther Cemetery, these are just educated guesses:

Flora A Luther, died Nov. 2, 1860, now buried East Rome in Section 2A Row 13

William Luther, died Oct. 2, 1841, now buried at East Rome in Section 6B Row 7

Eunice Allen Luther, died Jan. 24, 1852, now buried at East Rome in Section 6B Row 7

Eunice Luther, died Sept. 27, 1837, now buried at East Rome in Section 6B Row 7

Others that may have been buried in the Luther Cemetery based on names and dates of death, again, we cannot verify that these ancestors were interred in the Luther Cemetery.

Abbie M. Luther Bingham, died June 23, 1875, now buried East Rome in Section 3A Row 13

Alfred M. Bingham, died Oct. 14, 1875, husband of Abbie, now buried East Rome, in Section 3A Row 13

Julia Luther Dailey, died May 16, 1865, now buried East Rome in Section 2A Row 16

You can just see the name Luther McRobert on this map, he is also buried at East Rome Cemetery in Section 3A Row 16, Luther died in 1915.

Please see the Rome township cemetery map at the front of this volume for the approximate location of this cemetery.
