Davis, Vernon William

Notes:

Person Notes: "I wanted to tell you about how my Grandparents (Davis) died. There was a drought that year and high temps. It seems that Aunt Grace made a bedroom in the cellar for them as it was cooler there. Grandpa died and then, three weeks or so later, Grandma died. I think she just couldn't or didn't want to go on without him. " (remembered by granddaughter Sharon Davis Rose)
