Our Father Major Bailey

Died January 23rd 1855

aged 49 years 8 months

and 3 days

His death was caused by an injury

received from a fall on the

ice of the "Big Carolina" Sept 10th

1852 from which time he lay

in bed until his death, exhibiting an

unusually degree that patience

and resignation, for which he

was always characterized -

Soon his death his mental

faculties were temporarily, which

you have a hard task to give

credit and to fully express the

feelings and sentiments in regard

to his approaching end.

At present with God our best

consolation and the full assurance
